

# Chase Terrace Primary School

Dear parents/carers,

## **KS2 Homework**

To support your child with their learning at home and to minimise the disruption to their education, we have listed age-appropriate websites below. Here, children will be able to access further learning while at home.

**For obvious health and safety reasons, please do not return any completed homework sheets to school as we will not be able to have them on the premises.**

### **Useful websites:**

- <https://www.bbc.co.uk/bitesize/articles/zknj4xs>  
Home schooling hasn't been easy and, however hard we tried, there are key concepts that children will have missed. If you feel there are areas in English and Maths where your child needs to catch up, Primary Catch-Up Lessons will help.
- <https://www.bbc.co.uk/bitesize/this-terms-topics>  
'This Term's Topics' has got videos, quizzes, articles and practice activities from BBC Bitesize and partners to help you this autumn term. It provides its users with content for a variety of subjects, including Maths, English, Science, History and Geography. Just pick your year and subject to find a topic and get started!
- <https://www.topmarks.co.uk/>  
This website offers a range of free educational games. You can browse by subject and age group, making it simple to find age-appropriate games for your child. The games available will develop Maths and English knowledge and skills - there are lots of different interactive resources for other subjects too!
- <https://mathsframe.co.uk/>  
Mathsframe has more than 200 interactive maths games and all resources are designed by an experienced KS2 teacher. To access free interactive games, use the 'Resources' drop-down menu and select 'Most Popular Free Maths Games'.
- <https://home.oxfordowl.co.uk/>  
Once registered, this site offers advice and support for parents, educational activities and games, and a free eBook library for up to 11-year-olds.
- <https://www.tts-group.co.uk/home+learning+activities.html>  
Here you can download activity packs for your child. Simply select 'KS2 Activity Book'.

Additionally, once you have given your parental permission (permission letters are in the process of being sent out), children can use the following websites:

- <https://www.purplemash.com/sch/chase-ws7>  
You can log on to Purple Mash through the school portal, using your child's username and password, which can be found in their reading record.
- <https://ttrockstars.com/>  
Go to the login tab and select 'School pupils'. Type in 'Chase Terrace Primary School' and enter your child's username and password (this should be the same as your child's Purple Mash password).

In addition to the online resources outlined, please ensure that children continue to read their individual reading books and practise their times tables and spellings daily. Below is an overview of the spelling words your child will be learning this term.
