

Chase Terrace Primary School

Chase Terrace's P.E Vision Statement and PE & Sport Premium Funding for 2022/2023

At Chase Terrace Primary School we know that PE plays an important role in the development of our children. At least two, hour sessions per week are dedicated to physical activity in the curriculum which includes: athletics, dance, games, gymnastics, outdoor and adventurous activities and swimming.

PE leads to improved fitness, health and wellbeing, concentration, attitude towards sport and academic achievement. PE also provides a broad range of opportunities to extend children's agility, balance and coordination, individually and with others. Through sport in school, children have the opportunity to:

- Build confidence and self-esteem
- Learn to co-operate as a team
- Experience healthy competition with others
- Develop an understanding of a healthy lifestyle
- Challenge themselves
- Excel in different areas of the curriculum by making links

Through PE, children can develop Chase Terrace's values of: honesty, determination, respect, friendship, pride and enthusiasm.

We aim to encourage a lifetime love of sport and keeping fit along with encouraging children to be the best that they can be.

How do we encourage a love of PE at Chase Terrace?

This year the children have entered into various competitions. To build the children's confidence and develop their skills ready for these events, the children have the opportunity to work with our sports coach in school. This has increased the opportunity to participate in competitions which provides experience on how to cope with both winning and losing.

To gain children's passion and love for PE, we run a variety of sports clubs across all age groups. The majority of our after school clubs are taught by specialist sports coaches every Monday, Tuesday and Thursday. Children carry out sports such as: dodge ball, hockey, netball, football, gymnastics and multi-skills coaching.

Swimming

Currently, year 4 attend swimming lessons weekly for the entire academic year at the local leisure centre. The data presented below is based on data collected in 2020 when the children were in Y3 and attended weekly swimming lessons.

Meeting national curriculum requirements for swimming and water safety	% of Year 6 children 2023
What percentage of your current Year 6 cohort swim competently, confidently and proficiently over a distance of at least 25 meters?	44%
What percentage of your current Year 6 cohort use a range of strokes effectively [for example, front crawl, backstroke and breaststroke]?	44%
What percentage of your current Year 6 cohort perform safe self-rescue in different water-based situations?	44 %
Schools can choose to use the Primary PE and Sport Premium to provide additional provision for swimming but this must be for activity over and above the national curriculum requirements. Have you used it in this way?	No

Sports Premium Funding

What is the funding for?

The Government's Department for Education, have provided additional funding to schools to improve the provision of PE. Each School receives an amount of money determined by how many pupils are in the school and this money must only be spent on sports provision.

To increase the engagement of all pupils in regular physical activity to meet the 30:30 target through lunchtimes and after school clubs.	<ul style="list-style-type: none"> We have appointed two lunchtime supervisors who are designated play leaders. Together they monitor and engage the children on the trim trail, rotating groups so that all KS2 children get a lunchtime a week on the trim trail. Additionally, they ensure activities are out for children to engage with at lunchtimes, and lunchtime play leaders are trained up to support play on KS1 and EYFS playgrounds. Sports resources 	<p>£7,180</p> <p>£780</p>	<ul style="list-style-type: none"> Children have become more physically active at lunchtime under the guidance of the play staff who work with the children to support play. Whilst the main focus has been to monitor the trim trail the play leaders that have been trained for KS1, LKS2 and EYFS playground have been working effectively to encourage physically active lunchtimes. Children in KS2 with access to the trim trail teachers have noticed an increase in the resilience of children to master parts they may find difficult and teamwork skills have improved between groups of children when helping one another across. Curriculum resources for the whole school this improves the quality of teaching as it allows children to play games using specialised equipment. 	<ul style="list-style-type: none"> Keep training the next group of Y6 children to be play leaders. Gather suggestions from the children over activities they would like out for lunchtimes. Continually audit resources each academic year.
