- promote equality of opportunity;
- promote good relations between people of different racial groups.

#### Specific Duty

The specific duty requires us to:

- prepare a written policy on racial equality;
- assess the impact of our policies, including this policy, on pupils, staff and parents, of different racial groups, including, in particular, the impact on attainment levels of these pupils;
- monitor the operation of our policies through the impact they have on such pupils, staff and parents, with particular reference to their impact on the attainment levels of such pupils.

#### Policy Review

The policy will be reviewed and updated annually by the Safeguarding Lead.

#### School Context

In 2023-2024, 8% of our pupils are from minority ethnic groups. Our school values the individuality of all our children. We are committed to giving all our children every opportunity to achieve the highest standards. Within this ethos of achievement, we do not tolerate bullying or harassment of any kind. This policy helps to ensure that this school promotes the individuality of all our children, irrespective of ethnicity, attainment, age, disability, gender or background. We aim to reflect the multi-ethnic nature of our society and ensure that the education we offer fosters positive attitudes to all people.

This policy reflects the general and specific duties on schools as detailed in the Race Relations Act 1976 and as amended by the Race Relations Amendment Act 2000.

The school welcomes its duties under the Equality act 2010. We are committed to:

- Promoting equality of opportunity

- Promoting good relations between members of different racial, cultural and religious groups and communities
- Eliminating unlawful discrimination

This policy must be read in conjunction with other related school policies such as Behaviour, Single Equality and Special Educational Needs and Disability.

### **Parents/carers are:**

Parents/carers are responsible for knowing and following the school's equal opportunity/race equality policy. They are expected to support the school in implementing the policy.

### **Monitoring and Evaluation**

We make regular assessments of pupils' learning and use this information to track pupils' progress as they move through the school. As part of this process, we will monitor the performance of significant groups,

including different racial groups, to ensure that all groups of pupils are making the best possible progress. We use this information to adjust future teaching and learning plans, as necessary. Resources are available to support groups of pupils where the information suggests that progress is not as good as it should be. The governing body receives regular updates on pupil performance information.

School performance information is compared to national data and LA data, to ensure that pupils are making appropriate progress when compared to all schools, and to schools in similar circumstances.

Parents receive an annual questionnaire about the school and this will include some questions about the success of our policies in promoting their involvement in their children's learning.

Our monitoring activities enable us to identify any differences in pupil performance. This allows us to take appropriate action to meet the needs of specific groups and to set targets in order to make the necessary improvements. Relative under attainment by ethnicity can signal institutional racism, as defined by MacPherson.

### **Attitudes and Environment**

In our school, we aim to tackle racial discrimination and promote equality of opportunity and good race relations across all aspects of school life. We do this by:

- creating an ethos in which pupils and staff feel valued and secure;
- building self-esteem and confidence in our pupils, so that they can then use these qualities to influence their own relationships with others;
- having consistent expectations of pupils and their learning;
- removing or minimising barriers to learning, so that all pupils can achieve;
- ensuring that our teaching takes into account the learning needs of all pupils through our schemes of work and lesson planning;
- actively tackling racial discrimination and promoting racial equality through our curriculum, assemblies and displays of work, including work about British Values;
- making clear to our pupils what constitutes aggressive and racist behaviour;
- identifying clear procedures for dealing quickly with incidents of racist behaviour;
- making pupils and staff confident to challenge aggressive and racist behaviour.

We have a rolling programme of policy review. When policies are reviewed in future, governors will ensure that due regard is given to the promotion of racial equality within each policy.
