## A very warm welcome to Key Stage 2!

Whether your child is just beginning their journey in KS2 or moving up to a new year group, we are thrilled to have you and your family as part of our school community. This stage is an exciting

time of growth, curiosity, and increasing independence, and we are here to support your child every step of the way.

In KS2, children begin to deepen their learning, take on new challenges, and build the confidence and skills they need for the years ahead. We place great importance on fostering a love of learning, encouraging resilience, and celebrating every child's unique strengths and achievements.

We value the strong partnership between home and school, and we believe that working together makes a real difference. Throughout the year, we'll keep you informed, involved and welcomed into school life in many ways – from parent meetings and newsletters to events and celebrations of learning.

If you have any questions or need support as we begin this new chapter, please don't hesitate to reach out. We look forward to working with you to make this a positive and enriching experience for your child.

# **Class Dojo**

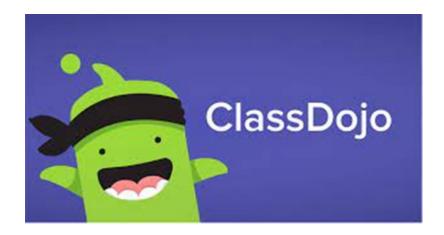

## What is ClassDojo?

Class Dojo is a school communication platform that links teachers and families securely by sharing classroom learning at home through photographs, videos and messages.

You can use the app on any device. You will be able to access your child's online portfolio and messages or homework tasks the teacher shares.

## Messages

Messages allow teachers and parents to communicate directly. Staff will aim to respond to any messages within 24 hours but those sent out of hours will not be actioned until the next working day.

# **Free School Meals**

Parents entitled to certain benefits can claim free school meals for any of their children who are registered at a Staffordshire school and who would normally be at school at lunch time. School meals are a good way to ensure that your child eats well at lunchtime and you can save yourself time and money.

Even if you don't want your children to have a school meal, claiming the funding helps their school. The more eligible parents who claim meals, the more funding the school receives.

For every pupil registered as eligible under the entitlement criteria, the school will receive extra funding. This is called the pupil premium. It is used to help raise achievement levels.

# **Attendance**

#### The Importance of Good Attendance

Attending school regularly helps children succeed academically and socially. Every day in school is a valuable learning opportunity!

## **How Can You Support Good Attendance?**

Create a morning routine to help your child start the day smoothly.

Prepare the night before by laying out clothes and packing school bags.

Set a reasonable bedtime to ensure your child gets enough sleep.

Plan holidays outside term time to avoid missing education.

#### **Attendance 'Traffic Light' System**

To help track attendance, we use a Traffic Light system. This is used to identify children whose attendance falls below target.

Chase Terrace Primary School Attendance		
0 days off school	100%	Outstanding
2 days off school each year	99%	Excellent
5 days off school each year	97%	Good
10 days off school each year	95%	Slightly concerned
20 days off school each year	90%	Concerned
30 days off school each year	85%	Very concerned

Even missing 10 days per year can have an impact on learning. We're here to help if you have any concerns about attendance.

#### **Punctuality Matters**

Did you know that being 15 minutes late each day adds up to two weeks of lost learning over a school year?

Good Time Keeping Matters Lost minutes= Lost Learning		
5 minutes late	3 days lost	
10 minutes late	6.5 days lost	
15 minutes late	10 days lost	
20 minutes late	13 days lost	
30 minutes late	19 days lost	
Over one full academic year		

#### Why Arriving on Time is Important

If your child arrives late, they may:

- Miss key learning at the start of the lesson.
- Find it harder to settle into the school day.
- Feel embarrassed walking into class late.
- Disrupt the flow of learning for others.

# **Attendance and Absence Information**

We understand that sometimes children may need to miss school due to illness or exceptional circumstances. If your child needs to be absent, please let us know in advance whenever possible and notify us daily if they are unwell.

#### **How to Inform School of Absentees?**

Contact the school office at 01543 227150

If we are unable to answer your call, please leave a voicemail with your name, your child's name, and the reason for their absence.

Send an email to office@chaseterrace-primary.staffs.sch.uk

## **Penalty Notices for Unauthorised Absences**

Once a child reaches the age of 5, any absence that is not authorised by the school may result in a penalty notice. This is in line with government guidelines, which aim to support schools in maintaining high standards of attendance.

A penalty notice may be issued if:

- A child has 10 sessions of un-authorised absence within a 10-week period (please note that there are 2 sessions in 1 school day).
- . A holiday is taken during term time without prior school approval.
- A child is persistently late after the register has closed.

If your child receives 10 sessions of unauthorised absence within a 10-week period, you may receive a notice to improve attendance or penalty notice, which could result in a fine.

As a school, we must report repeated unauthorised absences to the county council.

#### What Are the Fines?

**First offence:** £80 per parent, per child if paid within 21 days, rising to £160 per parent, per child if paid between 21-28 days.

**Second offence within 3 years:** £160 per parent, per child if paid between 28 days.

Further offences within 3 years: May lead to prosecution, with a possible fine of up to the £1,000 per parent, per child. These guidelines, set by Staffordshire County Council and the Department for Education, came into effect on 19<sup>th</sup> August 2024.

# Safeguarding

The school's designated safeguarding lead- Mrs Grunda (DSL) is responsible for overseeing safeguarding and ensuring that effective procedures are in place to keep children safe.

The school's Safeguarding Policy underpins the school's robust safeguarding procedures and ensures that all staff and other relevant individuals are aware of them.

The school also has several other safeguarding-related policies and procedures that are all in place to keep your child safe, including the following:

- Child-on-child Abuse Policy
- Prevent Duty Policy
- Online Safety Policy
- Child friendly safeguarding Policy
- Whistleblowing Policy
- Staff Code of Conduct
- Safer Recruitment Policy

You can find a copies of these policies on the school website or you can request copies by contacting the school office on 01543 227150

If you have any safeguarding concerns, you should report them to the DSL or their deputies as and when they arise. Where it is likely that there is an immediate risk to a child's safety, you should contact the emergency services.

The DSL makes appropriate referrals, e.g. social services and works with external agencies where necessary to ensure the safety and wellbeing of all pupils at the school. The DSL and deputy DSLs are specially trained in safeguarding practices and hold the necessary qualifications.

The DSL team is as follows:

Staff	Role
Mrs Jamie Grunda	Designated Safeguarding Lead
Mrs Tania Harrison	Deputy Designated Safeguarding Lead
Miss Lucinda Pountney	Deputy Designated Safeguarding Lead
Miss Kirsty Handsaker	Deputy Designated Safeguarding Lead
Mrs Tina Powl	Designatied Children Looked After Officer / SendCo
Mr Philip Moore	Deputy Designated Safeguarding Lead

# **Operation Encompass**

Our school is part of Operation Encompass which is a national scheme that operates jointly between schools and police forces.

Operation Encompass is the reporting to schools, prior to the start of the next school day, when a child or young person has experienced domestic abuse.

As a school we have ensured that a member of our staff, Mrs. Grunda (Designated Safeguarding Lead) known as a Key Adult, has been trained in the Operation Encompass procedures allowing us to then use the information that has been shared, in confidence, to support the child/ren in our care.

This places a statutory obligation on police forces to share Operation Encompass notifications with schools settings.

We are keen to offer the best support possible to all our pupils and through Operation Encompass we will be able to provide the best possible support to our children.
