Attendance 'Traffic Light' System

To help track attendance, we use a Traffic Light system. This is used to identify children whose attendance falls below target.

Chase Terrace Primary School Attendance		
0 days off school	100%	Outstanding
2 days off school each year	99%	Excellent
5 days off school each year	97%	Good
10 days off school each year	95%	Slightly concerned
20 days off school each year	90%	Concerned
30 days off school each year	85%	Very concerned

Even missing 10 days per year can have an impact on learning. We're here to help if you have any concerns about attendance.

Come and support our school choir!

Community First Responders

We're very excited that our local Community First Responders will be visiting our school in the next few weeks to deliver some special lessons in first aid. They'll be teaching the children about a range of important topics including what to do in an emergency, how to stay calm and get help, and some simple ways to help someone who is hurt or unwell.

These sessions will give our pupils the chance to learn some valuable life skills in a fun and practical way. We're really looking forward to welcoming the First Responders and finding out more about the amazing work they do to help people in the community.

Children In Need Day

Thank you to everyone for your generous donations in support of Children In Need. The children looked fantastic in their Pudsey themed outfits and really helped make the day special. As part of our 25 Acts of kindness challenge, we received lots of thoughtful entries for the raffle, showcasing the wonderful kindness shown by our pupils. Congratulations to our winners - pictured here who each took home a special prize.

Thanks to the amazing support of our families and children, we raised a total of **£171.71**. We are so grateful for your kindness and involvement.

Year 5 & 6 Space Centre Trip

On Monday, our Year 5 and 6 pupils enjoyed an inspiring and action-packed visit to the Space Centre. Throughout the day, the children explored a range of interactive galleries and hands-on exhibits that brought their learning about space to life.

They experienced what it's like to journey through the Solar System, discovered how rockets are launched, and learned about the history of human space exploration. Pupils also enjoyed seeing real spacecraft, meteorites, and space suits up close, deepening their understanding of life beyond Earth.

A highlight for many was the immersive planetarium show, which took them on a virtual voyage through the stars and helped them visualise concepts they have been studying in class.

The children returned to school buzzing with excitement and full of new knowledge. It was a memorable day that will continue to support their science learning throughout the term.
