

Dates for your diary:

September

Tuesday 1st - Inset day

Wednesday 2nd - school opens 8.40am

Wednesday 23rd - Tempest photos - Individual

Dear Parents/Carers,

As another school year comes to an end, I would like to say a heartfelt thank you for your ongoing support. The past year has been filled with learning and fun; we have had many memorable moments. Our children have worked incredibly hard, embraced new challenges and shown kindness, enthusiasm and determination throughout the year. We are very proud of everything they have achieved.

I hope you and your families have a wonderful summer filled with fun and special memories. We look forward to welcoming you back in September, ready for another exciting year ahead. To our Year 6 children, we are extremely proud of you and wish you every success in high school.

Thank you all for being such an important part of our Chase Terrace Primary School Community.

Kind regards

Tania Harrison

Headteacher

Governors' Assembly & Rotary Club Award

Well done to all of the children who won awards in the Governors' Assembly. Your hard work, confidence and enthusiasm truly shone through.

A big thank you to the Governors and Rotary Club for their continued support and encouragement. Thank you also to the parents who joined us to celebrate.

Community Support

Good News: The Mental Health Support Team (MHST) is OPEN Over the Summer Holidays!

From July 20th to 2nd September 2026, the MHST is open and ready to help young people experiencing mild to moderate, low-level mental health difficulties.

What is the MHST?

The Mental Health Support Team is a team of NHS Mental Health Practitioners who offer low-intensity support based on Cognitive Behavioural Therapy (CBT) principles. They typically provide 6 to 8 sessions of guided self-help, either one-to-one or through group work and parent-led workshops.

Who Can They Support?

They support young people aged 5 to 18 who want to access help and are experiencing: Low mood, Anxiety, Sleep difficulties, Worry, Panic, Exam stress & Phobias

Note: The MHST is a low-intensity, early intervention service.

How to Refer Your Child This Summer

If you believe your child would benefit from their support during the holidays, you can refer them directly without waiting for school to reopen!

Call the MHST: 01283 504487

Availability: Monday to Friday, 9am - 5pm (excluding bank holidays)

What to do: Leave your name and number, and a practitioner will call you back to discuss how they can help.

Need Urgent Help?

The MHST phone lines are not to be used in an emergency. If your child is experiencing a crisis, please reach out to:

Samaritans: Call 116 123 (Free, 24/7)

ChildLine: Call 0800 1111 (Free, 24/7)

NHS All-Age Mental Health Access Team / Urgent Crisis Line: (Look up your local NHS Trust details or call 111)

Emergency Services: Call 999 or visit your nearest A&E if there is an immediate risk to life.

For more information, follow them on social media at @SOUTHSTAFFSMHST or call their office team on 01283 504487.

THE MENTAL HEALTH SUPPORT TEAM IN SCHOOLS ARE OPEN OVER THE SCHOOL HOLIDAYS

July 20th - 2nd September 2026

If you are experiencing low level mental health difficulties, we may be able to help. Call us between 9am - 5pm (Monday to Friday excluding bank holidays), leave your name and number and one of our practitioners will give you a call back to see what support we can offer.

Contact the MHST on:

01283 504487

What does MHST do?

Support can be offered in the following ways:

- One to one interventions between young person and practitioner
- Groupwork (online)
- Online parent-led anxiety workshops (How to help my child with fears and worries)
- Supporting school staff to develop their whole school approach to mental health and wellbeing

We offer 6 to 8 sessions of guided self help, informed by Cognitive Behavioural Therapy (CBT) principles.

Our sessions are confidential but we hope to foster open communication. We follow confidentiality policies, therefore if we have any immediate concerns with your child these will be discussed with you.

Where can I get further support?

We are a low intensity early intervention support team. If you feel your child needs more urgent support, please reach out to one of the services below:

@SOUTHNETAFFSMHST
Follow us on Twitter, Facebook and Instagram

Mental Health Support Team

Information for parents

For more information about our service, please scan the QR code for our website or call: 01283 504487

Who are MHST?

We are a team of Mental Health Practitioners that work with children and young people.

We understand the difficulties young people can face and how this can affect their mental health.

We offer low intensity CBT based support to give children and young people the skills they need to manage these difficulties.

If you would like to learn ways to help support your child with anxiety or low mood, please access the QR codes below where you can view a pre-recorded workshop.

Anxiety

Low mood

Who MHST can support

We support young people aged 5 to 18 when there is a clear mental health need present, such as:

- Low mood
- Anxiety
- Sleep difficulties
- Worry
- Panic
- Exam stress
- Phobia

Our interventions work best when a young person wants to access support and is willing to put the work in both in and outside of our sessions.

Right service right time

There will be occasions when the team are unable to offer support; we always endeavour to explain our reasoning and to signpost to more appropriate services. The following list gives an indicator of some difficulties that are unsuitable for low intensity intervention:

- Trauma
- Difficult family dynamics
- Bereavement
- Self-esteem / confidence issues
- Drug or alcohol addiction

How can I refer into MHST?

If you believe your child could benefit from support through the Mental Health Support Team, you can reach out to the Mental Health Lead at school. Alternatively, you can refer your child directly by contacting your local MHST.

Keeping Our Children Safe This Summer Break! ☐

As we head into the summer holidays, our top priority is ensuring all our pupils have a fun, happy, and above all, safe break.

The Staffordshire & Stoke-on-Trent Safeguarding Children Partnership has shared some vital safety reminders for families. Please take a moment to read these essential tips to keep your little ones safe:

1. Water Safety: Respect the Water

Open water like canals, rivers, quarries, and reservoirs can look tempting on a hot day, but they are incredibly dangerous.

Active Supervision: Always watch children closely when they are in or near water (including paddling pools and beaches) without being distracted by phones or conversations.

Avoid Risk: Teach children never to swim in unsupervised open water.

For expert advice, visit rlss.org.

2. Travel & Road Safety

Whether you are traveling abroad or staying local:

Car Seats: Ensure children are properly secured in correct, age-appropriate car seats for every journey.

Pedestrian Safety: Take extra care when walking near roads, especially in unfamiliar holiday destinations where traffic rules and patterns differ from the UK.

Find driving and car seat advice via the AA and issuu.com.

3. Safe Sleeping on Holiday

If you are staying with family, friends, or in holiday accommodation:

Consistent Routines: Maintain safe sleep routines for every sleep (daytime naps and overnight).

Travel Cots: Plan sleeping arrangements in advance and bring a safe travel cot if needed. Never co-sleep in unsafe environments.

For safer sleep guidance, visit lullabytrust.org.uk.

4. Sun & Heat Protection

Young skin burns easily. Protect your child from harmful UV rays:

Avoid Peak Sun: Keep children out of direct sunlight between 11:00 AM and 3:00 PM.

Sunscreen: Use at least SPF 50 with 4-star UVA protection. Reapply every 2 hours and immediately after swimming.

Cover Up: Use loose clothing, sun hats, and sunglasses.

5. Food Safety & Picnics

Warm weather causes bacteria to grow quickly on food:

Keep it Cool: Use ice packs and insulated cool bags when travelling or picnicking.

Thorough Cooking: Ensure BBQ meats are cooked thoroughly and piping hot all the way through.

Choking Prevention: Encourage young children to sit down quietly while eating to help them chew and swallow properly.

6. Carbon Monoxide (CO) Safety

Carbon monoxide is invisible, odourless, and can be fatal.

Holiday Stays: If staying in caravans, motorhomes, tents, or cabins, ensure there is a working carbon monoxide alarm/monitor.

Outdoor Cooking: Never bring BBQs, camping stoves, or campfires inside or near the entrance of a tent or caravan.

Learn more at safertourism.org.uk.

Let's work together to make this summer a safe, joyful, and memorable one for all our school families!

Avoiding serious injury

Sun safety

Babies and children are particularly vulnerable to sunburn. Avoid direct sun exposure between 11:00 and 15:00. Use SPF50 sunscreen with 4-star UVA protection. Reapply sunscreen every 2 hours and after swimming. For additional protection add loose-fitting clothing, sun hats and sunglasses. Go to britishskinfoundation.org.uk and sunscreen-and-sun-safety on the NHS site for further information.

Food safety advice

Germs can grow quickly on food if it is not kept refrigerated. Use ice blocks to keep food cool when travelling. Store raw and cooked foods separately, and ensure meat is cooked thoroughly and is hot all the way through before eating. Tap water in the UK is safe to drink. Follow local guidance when drinking water abroad. Encourage young children to sit down while eating to help them chew and swallow food properly during picnics. Visit GOV.UK for further advice on food safety in a heatwave.

Carbon Monoxide Poisoning

Carbon monoxide cannot be seen, smelled, heard, or tasted. It is produced when fuels burn incompletely. Poor ventilation can allow dangerous levels to build up. Carbon monoxide poisoning can be fatal. Extra care is needed in caravans, motorhomes, and tents, especially when using campfires, camping stoves, or BBQs. A carbon monoxide alarm/monitor should be provided or taken when travelling. For further information go to www.safertourism.org.uk/campaign-carbon-monoxide.

Contact The Child Death Overview Panel for Staffordshire and Stoke-on-Trent cdop@staffordshire.police.uk for further information.

Child Death Prevention Newsletter

This newsletter is designed to raise awareness of the work of the Stoke-on-Trent and Staffordshire Child Death Overview Panel (CDOP) and to bring news on our ongoing campaigns.

Summer Safety

Tragically, there have been deaths of children from Staffordshire and Stoke on Trent as a result of.....

Drowning

Young people can be drawn to open water - weirs, quarries and canals are not safe places to 'hang out', swim or play. **Don't take risks around water.**

Watch children when they are in or around water, without being distracted.

For water safety advice go to RLSS.org

The Lullaby Trust has information on 'safer sleep on holiday'

Unsafe sleeping environments

Follow safer sleep guidance **for every sleep**, both daytime naps and overnight. Maintain safe sleep routines when on holiday, staying with friends or family. Plan sleeping arrangements in advance. **Consider where your baby will be sleeping** and if you need to take a travel cot.

Road traffic collisions

Check and follow local driving laws when travelling abroad. **Children should be properly restrained in appropriate car seats** while travelling in a vehicle. Many airlines allow child car seats to be transported free of charge or when abroad there are usually car seat hire options. Take extra care when walking near roads, particularly in unfamiliar areas where traffic patterns and road rules may be different from those in the UK.

The AA has essential driving advice in Europe on their website, and for information on car seats go to www.aa.com

Community Support

Look how many fun activities there are in the Summer! If you are looking for things to keep the kids entertained, look no further.
